

ONSITE
MOBILE DIAGNOSTICS

IN PARTNERSHIP WITH

Onsite Mobile Diagnostics is the designated provider of on-site ultrasound service for VitalMD.

Our partnership means that Onsite Mobile Diagnostics meets the standard of quality on every aspect of our diagnostic service.

We adhere to the strict clinical protocols required by VitalMD in order to provide the highest quality in mobile ultrasound to our partnered VitalMD practices. This includes:

- Accredited with The Joint Commission.®
- Stringent health quality assurance program.
- State-of-the-art technology, including PACS interface integration.
- Advanced ultrasound equipment.
- ARDMS-registered and multi-modality credentialed Sonographers.
- Long lasting relationships with interpreting partners -Radiologist, Cardiologist and M.F.M.

Our Sonographers perform Ob/Gyn, General, Vascular, and Cardiac ultrasound exams all within one time block, making it easier than ever before for your patients to receive the care they need.

Onsite Mobile Diagnostics has a master agreement in place with VitalMD, which makes starting on-site ultrasound service with Onsite Mobile Diagnostics a simple process for your practice.

Contact us to learn more about how you can become one of Onsite Mobile Diagnostics partnered VitalMD practices for on-site ultrasound service.
